2022

CONFERENCE ON ISOPRENOIDS
KARAGANDA

KARAGANDA,
KAZAKHSTAN
September 7-9, 2022

THE 25TH CONFERENCE ON ISOPRENOIDS

WELCOME TO THE 25TH CONFERENCE ON ISOPRENOIDS

The 25th conference will take place in Karaganda, Republic of Kazakhstan, on September 7 - 9 , 2022. The Organizing Committee invites you and your colleagues to take part in this event.

The conference is organized by the International Research and Production Holding "Phytochemistry" and the Isoprenoid Society. The event is supported by the Ministry of Education and Science of the Republic of Kazakhstan and the National Academy of Science of the Republic of Kazakhstan. The 25th conference continues the traditions of scientific meetings on Isoprenoids begun by Czech and Polish scientists in 1966.

Important Dates

Registration Deadline	May 1, 2022
Submission Deadline	May 1, 2022
Conference Date	September 7-9, 2022

The programme will cover the following topics:

- Chemistry of natural isoprenoids. The search for natural sources. Biosynthesis and metabolism. Total synthesis of molecules. Structural analysis.
- Pharmacological research of isoprenoid compounds and their practical application.
- Molecular-biological, genetic engineering and environmental aspects of isoprenoids.
- Production technology of original drugs based on isoprenoids.

Language of the Conference: English
