PSE WEBINARS SERIES 2026

New Frontiers in Natural Products: From Senescence Chemistry to Photoantimicrobial Therapy

Tuesday, March 17th 2026
4:00–5:00 p.m. (UTC+01:00)

Program & Speakers

Phyllobilins: The Untapped Phytochemistry of Plant Senescence

Prof. Dr. Simone Moser
Institute for Pharmacy/Pharmacognosy
University of Innsbruck, Austria
Simone.Moser@uibk.ac.at

Identification of Natural Photosensitizers as Potent PDT Agents and Photoantimicrobials

Prof. Dr. Bianka Siewert
Pharmaceutical Biology
University of Hamburg, Germany
bianka.siewert@uni-hamburg.de

Free Participation – Registration Required
